

World-leading Innovative Graduate Study Program innovations for Future Society  
WINGS RA Regulations

2019.02.15

-The WINGS RA system is based on the TAKUETSU Research Assistant system of the University of Tokyo.

<https://www.ut-portal.u-tokyo.ac.jp/notice/index.php?q=29090>

-The monthly amount of the WINGS RA salary is 180,000 yens, subject to the following conditions.

-The following students can not receive the WINGS RA salary:

- Recipients of the JSPS Research Fellowship for Young Scientists (DC1, DC2)
- Government-sponsored foreign students (including students receiving foreign government support such as the CSC)
- Those who are financially supported by any program for Leading Graduate Schools
- Those who are financially supported by any other World-leading Innovative Graduate Study Program
- Recipients of The University of Tokyo Fellowship
- SEUT-RA
- Salaried company employees

-Students who obtain a scholarship from a company or a foundation (benefit type) can receive the WINGS RA salary on condition that the total amount is within 180,000 yens, and only if it is allowed by the scholarship's regulations.

-TA, part-time jobs or RA with the laboratory's budget are allowed, provided that students prioritize their research. Students must keep in mind that the WINGS RA salary is paid in compensation for their research activity. Total earnings can not exceed 280,000 yens.

-WINGS RA appointment takes place every academic year and is renewable on condition that students pass the Interim Review and the Qualifying Examination.

-Rules may be subject to change.
